Dear Mr. Ridout -

Maida French has asked me to see that these papers regarding Kathleen Parlow were returned to you. Mrs. French has moved from ~~to~~ Toronto to Ottawa. At present she is in hospital there. We certainly owe you thanks for the immense help you generously gave us at the time the book was being written. You will be pleased to know that the Parlow biography will be published this spring by Ryerson.

With kindest regards,

*Josephine Phelan*
